

Water FX™

Water FX™

Water Conditioning Agent and Acidifier for Professional Spray Applications

Principal Functioning Agents

Ammonium sulfate, 2-hydroxy-1,2,3-propanetricarboxylic acid.....	98.99%
Constituents ineffective as a spray adjuvant.....	1.01%
Total.....	100.0%

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN WARNING

Hazard Statements

- Causes serious eye irritation.
- Causes mild skin irritation.
- May be harmful if swallowed.
- May be harmful in contact with skin.

Precautionary Statements

- Wear protective gloves and eye/face protection.
- Wash hands, face and other affected areas thoroughly after handling.
- Do not eat, drink or smoke when using this product.

First Aid

If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

If Inhaled: Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

If on Skin or Clothing: Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

General Information

Water FX is a specially formulated blend of water conditioning and acidifying agents intended for use with a variety of pesticide or nutrient applications that recommend lower pH water and ammonium sulfate as a tank mix additive.

Water FX is a water-soluble powder that readily goes into solution.

Water FX improves pesticide performance by conditioning and acidifying tank mix water. The ammonium sulfate ingredient prevents hard water antagonism from water impurities such as iron, calcium and magnesium.

Certain herbicides, fungicides and insecticides perform more effectively at lower pH ranges.

Water FX is compatible with all glyphosate formulations and with a range of drift retardants and nonionic surfactants and is approved for aquatic use.

Directions For Use

Always read and follow the label instructions indicated on the pesticide or nutrient label. Do not use Water FX if accompanying pesticide or nutrient label prohibit the use of water conditioners or acidifying agents.

For Use as an Acidifying Agent: Add 1/2 pound increments of Water FX until the desired pH is achieved.

For Hard Water Conditions or For Use With Glyphosate Herbicides that Do Not Contain a Surfactant Ingredient: 3 to 4 pounds of Water FX may be required.

Mixing Instructions

Always add Water FX as the first component of the spray mixture. Slowly pour Water FX into the spray tank at the point of maximum agitation. Continue filling while recirculating until all ingredients are thoroughly mixed. Maintain good tank-mix agitation at all times until contents of tank are completely sprayed.

Storage and Disposal

Prohibitions: Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool, dry place in original unopened container.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

Spill: Ventilate the area and avoid breathing vapors. Contain and absorb spillage with non-combustible materials. In the event of a major spill, fire or other emergency, call CHEMTREC at (800) 424-9300.

Emergency Phone Numbers

Have the product container with you when calling a poison control center or doctor, or going for treatment.

CHEMTREC (transportation & spill): (800) 424-9300

POISON CONTROL CENTER (human health): (800) 222-1222

WATER FX IS APPROVED FOR AQUATIC USE

CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased, or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
