

# Root-Juice™

## SOIL AMENDMENT ADDITIVE FOR DRY FERTILIZER

### CONTAINS NONPLANT FOOD INGREDIENTS

- 38% C8-22 Alkanoates
- 38% Guerbet Alkoxyolate
- 17% Coco Derived Oligomeric Glucoside
- 7% Inert Ingredients

FOR SDS INFO

## KEEP OUT OF REACH OF CHILDREN WARNING

### Hazard Statements

May cause serious eye irritation.

### Precautionary Statements

Wash thoroughly after handling.  
Wear protective gloves and eye/face protection.

**IF IN EYES:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. Immediately call a poison center or doctor/physician.

Refer to back label for more First Aid statements.

### Environmental Hazards

**Not for aquatic use.** Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

### Storage, Disposal & Spill

Do not contaminate water, food, or feed by storage or disposal.

**STORAGE:** Store in a well-ventilated place. Keep cool. Store in a tightly closed container. Store in original container only.

**DISPOSAL:** Do not reuse empty container. Triple rinse or equivalent during mixing and loading and add rinsate to spray tank. Recycling decontaminated containers is best option for disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit [www.acrecycle.org](http://www.acrecycle.org). Dispose of contents and container in accordance with local/national regulations.

**SPILL:** In the event of a major spill, fire or other emergency, call CHEMTREC at (800) 424-9300.

8.26 Lbs Per Gallon at 68°F (20°C)

**KALO**

*Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you don't understand the label, find someone to explain it to you in detail.)*

### Net Contents

**2.5 Gallons (9.46 Liters) or 2 x 2.5 Gallons (18.93 Liters)**

## First Aid

**If in Eyes:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

**If Swallowed:** Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

**If Inhaled:** Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

**If on Skin or Clothing:** Rinse skin with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

## General Information

Root-Juice serves as a food source for naturally occurring soil microbes resulting in enhanced soil microbe activity.

Microbial activity is linked to soil vigor and subsequently to plant stability through nutrient cycling and beneficial plant relationships. Through the break-down of organic matter, the microbial biomass initiates the cycling and plant availability of nitrogen, phosphorus and sulfur.

Root-Juice builds the native soil microbes to assist in achieving nature's natural balance.

Root-Juice does not contain laboratory cultivated microbes.

### USE ON A RANGE OF CROPS INCLUDING:

**CARROTS • EDIBLE BEANS • ONIONS • PEANUTS • TOBACCO • POTATOES • SOD PRODUCTION • HIGHLY MAINTAINED TURF**

## Use Rates

Apply 1 gallon of Root-Juice for each ton of dry fertilizer through spray nozzle atomization to ensure that the fertilizer granules are evenly coated with the liquid.

Root-Juice application to dry fertilizer will reduce dust during handling and transportation.

## ROOT-JUICE IS NOT FOR AQUATIC USE

### CONDITIONS OF SALE – LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following: 1) Refund of the purchase price paid by buyer or user for product purchased, or, 2) Replacement of the product used, to the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
