

Hydro-Wet[®] Pellet

TURF & SOIL WETTING AGENT

Commercial Hose-End Applicator Directions: Using available commercial in-line hose applicators, remove the plastic lid, insert the Hydro-Wet Pellet AND the plastic jar into the reservoir of the hose-end applicator with the opening of the jar containing the pellet facing toward the flow of water. Secure the reservoir to the applicator and begin application. Inserting the jar with the pellet facing away from the water flow will slow the rate of erosion of the pellet thereby reducing the amount of wetting agent dispersed over time. This is an acceptable option for minimizing wetting agent use. One Hydro-Wet Pellet will provide approximately 30 minutes of treatment. Water flow rates, operating pressures, water temperature and spray nozzle design all have an effect upon the rate at which the pellet will dissolve. It is recommended that a new Hydro-Wet Pellet be added to the applicator after the first has been dissolved to 1/3 its original size. Thoroughly clean applicator after use.

Use Rates For Golf Course Greens, Tees and Other Highly Maintained Turf Areas: Place one Hydro-Wet Pellet into a hose-end applicator. Apply 2 to 4 minutes per 1,000 sq. ft. of turfgrass. Treat weekly or as needed. For in-season problems with localized dry spots, extend the application time to 4 to 8 minutes. To prevent the occurrence of localized dry spots, begin applications at least one month prior to moisture stress. Note: It is advisable to hand water or irrigate turf area following an application to assist the movement of the active ingredient into the turf.

General Information: Hydro-Wet Pellets are designed to reduce the incidence of dry spot on turfgrass. Hydro-Wet Pellets reduce the surface tension of water and aid infiltration into hydrophobic soils. Hydro-Wet Pellets must be applied with a hose-end applicator specifically designed to slowly dissolve the pellet into the water flow.

NOT A PLANT FOOD PRODUCT

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand the label, have someone explain it to you in detail.)

NONPLANT FOOD INGREDIENTS

50.0% Polyoxyethylenepolypropoxypropanol, glycol butyl ether
50.0% Inert ingredients

KEEP OUT OF REACH OF CHILDREN WARNING

May be harmful if swallowed. Causes mild skin irritation. Causes eye irritation. Wash hands, face and other affected areas thoroughly after handling. Avoid contact with eyes/clothing and prolonged contact with skin. Avoid breathing vapors. Work in a well-ventilated area. If medical advice is needed, have product label on hand. Read label before use.

Storage and Disposal: Do not store near heat or open flame. Keep pellets cool. High temps may cause pellets to melt. Keep container tightly closed. Do not reuse product containers. Dispose of contents and container in accordance with local and national regulations.

KALO

KALO, Inc., 13200 Metcalf Ave., Overland Park, KS 66213 USA
800-255-5196 • www.kalo.com

Net Contents: 16 x 8 Ounce (226 gm) Pellet

First Aid: If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention. **If Swallowed:** Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice. **If Inhaled:** Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice. **If on Skin or Clothing:** Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

Notice-Read Carefully

Limited Warranty and Conditions of Sale. In no event shall KALO, Inc., manufacturer or seller be liable for special, incidental, or consequential damages, or for damages in their nature of penalties relating to the goods sold. KALO, Inc., manufacturer or seller shall not be liable to buyer or user by way of indemnification to customers of buyer, if any, or for any damages or sums of money, claims or demands whatsoever, resulting from or by reason of, or rising out of the misuse, or failure to follow label warnings or instructions for use, of the goods sold by KALO, Inc., manufacturer or seller. Buyer or users exclusive remedy and KALO, Inc., manufacturer or seller's total liability shall be for damages not exceeding the cost of the product. **Warranty Disclaimer:** The goods sold to you by this agreement are furnished as is by KALO, Inc., manufacturer, or seller, and are subject only to the manufacturer's warranties if any which appear on the labels of the products. KALO, Inc., the manufacturer or seller, make no other warranties, guarantees or representations of any kind to buyer or user, either expressed or implied or by usage of trade, statutory or otherwise, with regard to the product sold, included but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage. Ineffectiveness, or other unintended consequences may result because of such factors as the presence or absence of other materials used in combination with the goods, or the manner of use or application, or atmospheric conditions, all of which are beyond the control of KALO, Inc., manufacturer or seller.
