

Concord™

SPRAY ADJUVANT / DEPOSITION AID

Principal Functioning Agents

Ammonium nitrate, urea, alkoxylated triglyceride, methyl soyate, amine salt of alkyl ethoxylate phosphate, trisiloxane...	84.3%
Constituents ineffective as an adjuvant.....	15.7%
Total.....	100%

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

SAFETY DATA SHEET

**KEEP OUT OF REACH OF CHILDREN
WARNING**

Hazard Statements

Causes serious eye irritation. Causes skin irritation. May cause damage to organs through prolonged or repeated exposure.

Precautionary Statements

STORE LOCKED UP. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Do not breathe the mist, vapors or spray. Wash hands thoroughly after handling. Wear protective gloves and eye/face protection. Get medical attention if you feel unwell.

IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical advice/attention.

IF ON SKIN OR CLOTHING: Wash with plenty of soap and water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash before reuse.

Refer to back label for more First Aid statements.

Storage, Disposal & Spill

Do not contaminate water, food or feed by storage or disposal of this product.

Storage: STORE LOCKED UP. Store in a well-ventilated place. Keep cool. Store in a tightly closed container. Store in original container only.

Disposal: Triple pressure rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.agrecycling.org. Dispose of contents/container in accordance with local/national regulations.

Spill: In the event of a major spill, fire or other emergency, call CHEMTREC at (800) 424-9300.

Environmental Hazards

Not for aquatic use. Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

First Aid

If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

If Inhaled: Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

If on Skin or Clothing: Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

General Information

Concord is a unique adjuvant that delivers deposition enhancement and improved uptake, while providing an alternative to traditional nonionic surfactant, methylated seed oil, and crop oil concentrate adjuvants.

Concord provides equivalent or superior efficacy enhancement with improved crop safety.

Concord enhances absorption of water-soluble herbicides and is compatible with most pesticides and liquid fertilizers.

Directions For Use

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. For use with products registered for agricultural applications.

Concord has been approved for use with Regiment® Herbicide. The addition of a spray adjuvant to some herbicides and/or fertilizers may cause phytotoxicity to the foliage and/or fruit of susceptible crops or non-targeted vegetation. Prior to the application of Concord to a spray mix, the user or applicator must have experience with the combination or must have conducted a phytotoxicity trial.

Use Rates

Ground: Use at 4 quarts per 100 gallons of spray mixture, or 1.0% by volume. This rate provides the spray adjuvant functions of both crop oil concentrates and surfactants.

Aerial: Minimum of 3 to 6 ounces per acre in 1 to 5 gallons of spray.

Mixing Instructions

Prior to any herbicide application, all spray mixing and application equipment must be clean. Carefully observe all cleaning directions on the herbicide label. Fill tank 1/3 to 1/2 full of water and begin agitation. Slowly add the required amount of Concord and allow the product to completely disperse. Continue filling spray tank with water and add herbicides and/or fertilizers as directed by label or in the following sequence: 1) Fertilizers and nutrients; 2) Dry flowables and dispersible granules; 3) Wettable powders; 4) Flowables; 5) Water-soluble herbicides; 6) Emulsifiable concentrates.

CONDITIONS OF SALE – LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following: 1) Refund of the purchase price paid by buyer or user for product purchased, or, 2) Replacement of the product used, to the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
