

Check-Point®

WATER CONDITIONING AGENT / DRIFT & DEPOSITION AGENT / ANTIFOAM AGENT

DOES NOT CONTAIN AMS

Principal Functioning Agents

Trisodium citrate dihydrate, sodium hexametaphosphate, sodium tripolyphosphate, polyacrylamide, dimethylpolysiloxane.....	97.3%
Constituents ineffective as spray adjuvants.....	2.7%
Total.....	100.0%

All ingredients are exempt from the requirements of a tolerance under 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN WARNING

Hazard Statements

May be harmful if swallowed. Causes serious eye irritation. Causes skin irritation.

Precautionary Statements

Wash hands, face and other affected areas thoroughly after handling. Wear protective gloves and eye/face protection. Do not eat, drink or smoke when using this product. Call a poison center or doctor/physician if you feel unwell.

IF SWALLOWED: Rinse mouth. Call a poison center or doctor/physician if you feel unwell.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical advice/attention.

IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

Refer to back of bag for more First Aid statements.

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you don't understand the label, find someone to explain it to you in detail.)

Storage, Disposal & Spill

PROHIBITIONS: Do not contaminate water, food or feed by storage or disposal. Read all precautions of products being handled and follow the most restrictive language for all products to provide the safest work environment.

STORAGE: Store in a cool, dry place in original unopened bag. Store in tightly closed bags in dry, well ventilated area, away from excessive heat and incompatibles (oxidizing agents, bases, chlorates, nitrates). Do not store near feed or food products.

DISPOSAL: Completely empty bag contents into spray tank. Empty bags should be disposed of in a sanitary landfill or by incineration if allowed by state and local regulations. Dispose of contents and bag in accordance with local, state, and federal regulations.

SPILL: If spill occurs, do not attempt to clean up with water, as area will become slippery. Simply sweep and dispose of material.

Environmental Hazards

Not for aquatic use. Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

First Aid

If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

If Inhaled: Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

If on Skin or Clothing: Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

Mixing

- Unless instructed otherwise by accompanying crop control product labels, add Check-Point as the first component to the spray tank.
- Slowly pour Check-Point into spray tank at the point of maximum agitation.
- Continue adding while recirculating.
- Maintain good tank mix agitation throughout the spray application.

Check-Point contains an antifoam agent to minimize the formation of troublesome foam during tank mix agitation.

KALO, Inc., 13200 Metcalf Avenue, Overland Park, KS 66213 USA

CHECK-POINT is a Trademark of KALO, Inc.

Check-Point has been reviewed and approved by CPDA (Council of Producers and Distributors of Agrotechnology).

SAFETY DATA SHEET

General Information

Check-Point is an AMS-free, dry water-soluble water conditioning agent formulated to significantly reduce antagonism from hard water minerals contained in spray water used for agricultural spray solutions.

Check-Point can be used with a wide range of crop control products including Dicamba, 2,4-D, glufosinate and glyphosate type herbicides to effectively condition spray water efficiently at low use rates.

Check-Point sequesters hard water minerals such as calcium, iron and magnesium while imparting a neutral pH to the spray water.

Check-Point contains a drift reduction agent to minimize off-target drift. Many factors affect spray drift such as spray boom height, nozzle type, spray pressure, temperature, wind and thermal inversions. Check-Point will not eliminate all drift. Always read and follow pesticide label instructions pertaining to mitigating off-target drift.

Directions For Use

Always read and follow pesticide label instructions.

USE RATE: Use Check-Point at 2 pounds per 100 gallons of spray solution

CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following: 1) Refund of the purchase price paid by buyer or user for product purchased, or, 2) Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
