

PRODUCT INFORMATION

Maxway™

WATER CONDITIONER / VRA / NIS / DRA / DEPOSITION AID / ANTIFOAM

GENERAL INFORMATION

Maxway is an all-in-one, water conditioner, volatility reducing agent (VRA), nonionic surfactant (NIS), drift reducing agent (DRA) and deposition adjuvant. Maxway offers the convenience of a single use tank mix adjuvant that meets all the requirements for accompanying crop protection labels.

Maxway sequesters hard water minerals to minimize antagonism of the spray mixture for enhanced herbicide efficacy. Maxway contains a proven volatility reducing agent that binds protons (H+) in the spray solution to significantly limit the formation of dicamba acid, a primary cause of spray application volatility.

The surfactant ingredient in Maxway improves spray droplet spreading and penetration into the targeted leaf surface. Maxway provides humectancy to spray droplets resulting in a slower drying time for enhanced uptake of active ingredients.

Maxway reduces spray drift and enhances deposition by improving canopy coverage and penetration, reducing droplet bounce, and minimizing formation of small droplets that may be prone to off-target drift or evaporation.

Maxway has clearly demonstrated effective performance and is available for use as an all-in-one adjuvant to effectively manage hard water, spray volatility, impart surfactancy, reduce spray drift, slow spray droplet drying time and suppress tank mix foam.

USE RATES

Use Maxway at 26 ounces per acre in a minimum of 15 gallons of water per acre (or 1.56% v/v).

TECHNICAL INFORMATION

Net Weight: 10.43 lbs/gal

Specific Gravity: 1.25

Flashpoint: >200°F

pH: 7.5 (neat)

Color & Appearance: Hazy Amber Liquid

Odor: Mild

Storage Temperature - Minimum: 40°F

Storage Temperature - Maximum: 120°F

DOT/IMDG Transportation: Not Regulated

Marine Pollutant: No

Registered With CDPR: No

Registered With WSDA: No

DOES NOT CONTAIN AMS

PRINCIPAL FUNCTIONING AGENTS

Alkali metal salts of carboxylic acid,
alkylpolyglucoside,
acrylamide polymer.....50.0%

PACKAGING

2 x 2.5 gallon jugs
36 cases per pallet
Item#: MWY02

265 gallon tote
1 tote per pallet
Item#: MWY265
