

CenterPoint™

CenterPoint™

High Surfactant Oil Concentrate / Deposition Aid / Penetrant

Principal Functioning Agents

Modified vegetable oil, ethoxylated soybean oil, modified fatty acid ethoxylate.....100%

Total.....100.0%

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN WARNING

Hazard Statements

- Causes serious eye irritation.
- Causes mild skin irritation.

Precautionary Statements

- Wear protective gloves and eye/face protection.
- IF IN EYES: Rinse continuously with water for several minutes.
- Remove contact lenses if present and easy to do; continue rinsing.
- If eye irritation occurs, get medical attention.
- IF ON SKIN: If skin irritation occurs, get medical advice/attention.

First Aid

If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

If Inhaled: Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

If on Skin or Clothing: Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

General Information

CenterPoint is a unique, highly concentrated methylated seed oil based spray adjuvant developed to maximize effectiveness of post-emergence herbicides.

CenterPoint contains Quantum™ technology, an innovative, vegetable oil-derived surfactant that delivers enhanced penetrating properties and assists with translocation of active ingredients throughout the targeted plant.

CenterPoint suppresses off-target drift by providing a more uniform spray pattern and reduces driftable fines.

CenterPoint is a patent-pending formulation that further maximizes pesticide performance by enhancing active ingredient droplet retention on the targeted surface.

QUANTUM

CenterPoint contains the
QUANTUM Adjuvant Technology.

Directions For Use

Use CenterPoint when the accompanying pesticide label recommends use of a methylated seed oil adjuvant.

CenterPoint can be used with air-assist and conventional spray nozzles.

Use Rates

Use CenterPoint at a rate of 1 to 2 quarts per 100 gallons of spray mixture.

USE PRECAUTIONS

The addition of an adjuvant to some pesticides may increase the risk of phytotoxicity to certain susceptible crops, especially during periods of high humidity or other circumstances which may increase the activity of spray solutions. Care should be exercised when using on new varieties or crops not previously treated with CenterPoint.

Mixing

Fill spray tank one-half full with water and begin agitation. Add pesticides as directed by label while maintaining agitation. After pesticides are thoroughly mixed, add CenterPoint at the recommended use rate. The higher use rate should be used if plants are stressed, for hard to control weeds or when used with Kixor® Technology herbicides. CenterPoint can be mixed with UAN solutions when directed by the pesticide label.

Storage, Disposal & Spill

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in tightly closed containers in dry, well-ventilated area, away from excessive heat and incompatibles. Store in original container only.

Disposal: Triple pressure rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.agrecycling.org. Do not contaminate water sources by cleaning of equipment or disposal of wastewaters. Dispose of contents/ container in accordance with local/national regulations.

Spill: In the event of a major spill, fire or other emergency, call CHEMTREC at (800) 424-9300.

CENTERPOINT IS NOT FOR AQUATIC USE

*Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle.
(If you don't understand the label, find someone to explain it to you in detail.)*

CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased, or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
