

SLIX**SLIX****Dry Seed Finisher with Graphite****Principal Functioning Agents**

Proprietary coated silicate mineral blended
with graphite.....100.0%

All ingredients are exempt from tolerance requirements under 40 CFR 180.

**KEEP OUT OF REACH OF CHILDREN
WARNING****Hazard Statements**

This material is not considered hazardous by the OSHA Hazard Communication Standard (29 CFR 1910.1200)

Precautionary Statements

- Wear protective gloves/clothing and eye/face protection.
- In case of inadequate ventilation, wear respiratory protection.

First Aid

In general, this product does not have any acute hazard characteristics. Treat exposures symptomatically as needed.

If In Eyes: Immediately flush eyes with plenty of water, occasionally lifting the upper and lower eyelids. Check for and remove any contact lenses if present. Get medical attention if irritation occurs.

If Inhaled: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Get medical attention if symptoms occur.

If Ingested: Wash out mouth with water. Remove victim to fresh air and keep at rest in a position comfortable for breathing. If material has been swallowed and the exposed person is conscious, give small quantities of water to drink. Do not induce vomiting unless directed to do so by medical personnel. Get medical attention if symptoms occur.

If On Skin Or Clothing: Flush contaminated skin with plenty of soap and water. Remove contaminated shoes and clothing and wash before reuse. Get medical attention if symptoms occur.

Storage and Disposal

Storage: Store in original container protected from direct sunlight in a dry, cool and well-ventilated area. Keep container tightly closed and sealed until ready for use.

Disposal: Dispose container/contents in accordance with local waste management regulations.

IMPORTANT: Conduct Germination Test

Treatment of highly mechanically damaged seed, or seed of known low vigor and poor quality, except for the purposes of curative control of existing disease or insect pest, may result in reduced germination and/or reduction of seed and seedling vigor. Conduct germination tests by treating a small portion of seed before committing the total seed lot of a selected chemical treatment. Due to seed quality conditions beyond the control of the manufacturer, no claims are made to guarantee germination of carryover seed.

Directions For Use

This product may be used on all broad acre crop seeds. Dispense product onto flowing streams of seed in a manner that allows the powder treatment to be distributed and coated onto the seed.

General Use Rates: 0.50 to 1.00 dry ounces per 100 lbs of seed. The final rate selected should be based upon preference for finished seed-flow and cosmetic performance.

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand the label, find someone to explain it to you in detail.)

**KALO**

SLIX is Manufactured for KALO, Inc.

CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased,
- or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
