

Restore™

Restore™ Water Conditioning Agent and Acidifier

Principal Functioning Agents

Ammonium sulfate, 1,2,3-trihydroxypropane, phosphoric acid.....	50.0%
Constituents ineffective as spray adjuvants.....	50.0%
Total.....	100.0%

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.
Restore contains 2.44 pounds ammonium sulfate per gallon.

KEEP OUT OF REACH OF CHILDREN WARNING

Hazard Statements

- Causes serious eye damage.
- Causes skin irritation.

Precautionary Statements

- Wash thoroughly after handling.
- Wear protective gloves and eye/face protection.
- IF IN EYES: Rinse continuously with water for several minutes.
- Remove contact lenses if present and easy to do; continue rinsing.
- If eye irritation persists, get medical advice/attention.
- IF ON SKIN OR CLOTHING: Wash skin with plenty of soap and water.
- If skin irritation occurs, get medical advice/attention.
- Take off contaminated clothing and wash before reuse.

First Aid

Call a poison control center or doctor/physician immediately for treatment advice.

If Swallowed: Rinse mouth. Have person sip a glass of water to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Immediately call a poison center or doctor/physician.

If On Skin or Clothing (or Hair): Remove/take off immediately all contaminated clothing. Rinse skin immediately with plenty of water/shower for 15 to 20 minutes. Wash contaminated clothing before reuse.

If Inhaled: Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance then give artificial respiration, preferably mouth to mouth if possible. Call a poison center or doctor/physician if you feel unwell.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses if present, after first 5 minutes, then continue rinsing eye. Have the product container with you when calling a poison control center or doctor or going for treatment.

Environmental Hazards

Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.
NOT FOR AQUATIC USE.

General Information

Restore is intended for use with products registered for agricultural, horticultural, turf and ornamental, industrial and non-crop use as a tank mix adjuvant where water conditioning and spray deposition is important.

Restore is formulated to enhance spray coverage and retention of pesticide products that recommend the use of ammonium sulfate or a nitrogen source.

Restore improves the efficiency of various post-emergent herbicide sprays by minimizing antagonism of hard metal ions that are frequently present in most spray water sources.

Restore contains a humectant ingredient that works to improve spray deposition and retention thereby improving the ability of agrichemical sprays to deposit and penetrate targeted surfaces. Water content of spray deposits can be increased which slows drying time and minimizes crystal formation of active ingredients which can impede plant uptake of certain active ingredients.

Washington State Reg. No. 45989-08001

Directions For Use

Always carefully follow the precautions, restrictions and recommended use rates and application directions appearing on the accompanying pesticide label.

Restore is approved for use with Enlist One® Herbicide and Enlist Duo® Herbicide.

Add Restore first during agitation. Rates may vary with conditions at time of application.

Use Rates

For Ground and Aerial Applications: Use 2 to 3 quarts per 100 gallons.

When the Spray Volume is Less Than 15 GPA: Use a minimum of 1 pint per acre.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a well-ventilated place. Keep this container tightly closed. Store in original container. Do not allow water or other chemicals to be introduced into contents of container. Do not contaminate water sources with equipment washwater, spray disposal wastes or by cleaning of equipment. Do not store near feed or food products. Do not use or store near open flame.

Disposal: Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.agrecycling.org. Dispose of contents/container in accordance with local/national regulations.

RESTORE IS NOT FOR AQUATIC USE

CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased,
- or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
