

STEELY™ RED

Seed Treatment Colorant
Infused with Iron Micronutrient

Principal Functioning Agents*

Aqueous suspension of dispersed pigments and ferric oxide...100%

*All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.910

Contains Micronutrient Plant Food

GUARANTEED ANALYSIS BY WEIGHT

Iron (Fe) derived from iron oxide..... 19%

WARNING

KEEP OUT OF REACH OF CHILDREN

HAZARD STATEMENT:

*Causes skin irritation. Causes serious eye irritation.
May cause respiratory irritation.*

STEELY RED is a trademark of Agrilead, Incorporated.

GENERAL INFORMATION

STEELY RED is a pigment based liquid seed colorant in combination with iron designed to clearly identify treated seed and deliver supplemental iron nutrition to germinating seeds and emerging plants during stand establishment.

DIRECTIONS FOR USE:

SHAKE WELL OR OTHERWISE AGITATE PRODUCT PRIOR TO USE.

Always check compatibility of all treatment components prior to large scale mixing.

Add STEELY RED to treatment slurry water first and prior to treatment pesticides. Mix treatment slurry thoroughly prior to seed application.

Use Rates*:

Soybeans, Wheat, Rice, Corn, Sorghum..... 0.50 to 1.00 fluid oz per 100 lbs of seed
Cotton.... 1.00 to 3.00 fluid oz per 100 lbs of seed

*Suggested rates. Some color variation may occur. Adjust rates to obtain the desired color and coverage due to seed size, seed coat, application equipment, and total applied slurry rate application.

PRECAUTIONARY STATEMENTS

Do not use before reading and understanding all safety precautions. Wear personal protection equipment (PPE) when handling (see below). If exposed or concerned about exposure seek medical advice or attention.

PERSONAL PROTECTION EQUIPMENT (PPE): Handler of this product must wear long sleeve shirt, pants, shoes, socks, chemical resistant gloves, and splash proof safety goggles or face mask. For additional protection a chemical resistant apron or coveralls are suggested but not required.

FIRST AID MEASURES: In general, this product does not have any acute hazard characteristics. Treat exposures symptomatically as needed. If on Skin: Rinse with soap and water thoroughly. Get medical advice if irritation develops or persists. If in Eyes: Immediately flush eyes with plenty of water. Remove contact lenses if present and easy to do. Get medical attention if irritation develops or persists. If Inhaled: Remove to fresh air. If symptoms develop, consult medical advice. If Ingested: Do not induce vomiting. Drink plenty of water. Seek medical advice.

STORAGE & DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Do not store in direct sunlight. Ideal storage temperature zone is between 40 and 80 degrees F. Do not allow product to freeze. Triple rinse container after use and then offer for recycling, reconditioning, or otherwise dispose of as allowed by local regulations.

IMPORTANT NOTICE READ CAREFULLY:

Treatment of highly mechanically damaged seed, or seed of known low vigor and poor quality, except for the purposes of curative control of existing disease or insect pest, may result in reduced germination and/or reduction of seed and seedling vigor. Treat and conduct germination tests on a small portion of seed before committing the total seed lot of a selected chemical treatment. Due to seed quality conditions beyond the control of the manufacturer, no claims are made to guarantee germination of carryover seed.

CONDITIONS OF SALE AND LIMITED WARRANTY

Read the information contained herein before buying or using this product. If the stated terms are unacceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Manufacturer warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond the manufacturer's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
