

## Fomark<sup>®</sup>

### Foam Marking Agent

#### GENERAL INFORMATION

Fomark is a highly concentrated, complex blend of foaming agents and foam enhancing additives. Fomark produces a dense, readily visible foam that is designed to be compatible with a wide range of water hardness and temperature conditions. Designed for use with both pressurized and non-pressurized foam marker equipment, Fomark is ideal for agricultural, turf or soil field marking applications. Fomark helps eliminate costly gaps and overlaps which can occur during the application of fertilizers or pesticides. Fomark is economical to use and is the quality standard by which most foam marking agents are judged.

#### USE RATES

Depending upon water hardness and temperature, Fomark may be used at dilutions ranging from 100:1 to 80:1.

**For most water conditions:** Add 1 gallon of Fomark for every 100 gallons of water (100:1). This dilution rate will normally provide sufficient foam for most water conditions.

**For extremely hard water (1,000 parts per million hardness or greater):** Add 1 gallon of Fomark for every 80 gallons of water (80:1).

**Color additives can be used with Fomark to enhance visibility:** The use of foam colorant additives may require the 80:1 use rate.

**Note:** Best results are achieved when foam generating tanks are clean and free of other chemicals before adding Fomark. Combining foaming agents, or use without proper cleaning of equipment, may reduce effectiveness.

#### TECHNICAL INFORMATION

**Net Weight:** 8.67 lbs/gal

**Specific Gravity:** 1.02-1.04

**Flashpoint:** > 176°F SFCC

**pH:** 7-9 (1% aqueous solution)

**Color & Appearance:** Clear Liquid

**Odor:** Sweet

**Storage Temperature - Minimum:** 32°F

**Storage Temperature - Maximum:** 120°F

**DOT/IMDG Transportation (applies to containers greater than 119 gallons only):** NA1993, Combustible Liquid, N.O.S. (ethylene glycol monobutyl ether), 3, PG III

**Registered With CDPH:** No

**Registered With WSDA:** No

#### PRINCIPAL FUNCTIONING AGENTS

Proprietary blend of active foam agents...100.00%

#### PACKAGING

4 x 1 gallon jugs  
36 cases per pallet  
Item#: FM01

30 gallon drum  
5 drums per pallet  
Item#: FM30

55 gallon drum  
4 drums per pallet  
Item#: FM55
