

Tournament-Ready® Granular

Tournament-Ready® Granular

Soil Surfactant • 16% Active Ingredient • High Performance •
Long-Lasting Residual • Environmentally Balanced

Principal Functioning Agents

Proprietary blend of nonionic carbohydrate surfactants,
polyoxyethylene-polyoxyethylene-polyoxypropylene glycol,
polydimethylsiloxane.....16.0%
Montmorillonite mineral granules.....84.0%
TOTAL.....100.0%

KEEP OUT OF REACH OF CHILDREN

CAUTION

- May cause eye irritation.

Precautionary Statements

- Do not get into eyes.
- Avoid breathing vapors or mists.
- Avoid using product in a manner as to directly, or through drift, expose workers or other persons.
- Applicators and other handlers must wear goggles or face shield and chemical resistant gloves while applying this product.

First Aid

Call a poison control center or doctor/physician if you feel unwell and for further treatment advice.

If In Eyes: Hold eyes open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes then continue rinsing eye.

If On Skin or Clothing: Take off contaminated clothing and wash before reuse. Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical advice/attention.

If Swallowed: Immediately call a poison control center or doctor. Have person sip a glass of water. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible.

General Information

Tournament-Ready Granular contains a blend of natural, renewable-resource surfactant ingredients incorporated with a convenient, dry spreadable mineral carrier. This unique class of surfactant blend works to prevent and control localized dry spots in turf, soils and plant media.

Tournament-Ready Granular enhances beneficial soil microbes and has been developed with respect for the environment and worker safety.

Tournament-Ready Granular works wherever localized dry spot occurs: golf greens and tees, fairways, athletic fields, and residential or commercial lawns and soil mixes.

Tournament-Ready Granular reduces the surface and adhesive tensions of water. It assists the water's infiltration and drainage of compacted or hydrophobic soils.

Tournament-Ready Granular can be used a pre-treatment or post-treatment to selected turf areas where enhanced infiltration of turf management products into the root zone is desired.

Tournament-Ready Granular is not for aquatic use.

The dry granular carrier for Tournament-Ready Granular is Terra-Green®. This inert, porous mineral is incorporated with liquid Tournament-Ready Soil Surfactant.

Tournament-Ready Granular won't float off-target and readily disperses into the thatch area for release into soil profile.

Tournament-Ready Granular is an affective soil conditioner.

Directions For Use

Golf Course Greens and Tees: For use as a season-long preventive treatment, apply Tournament-Ready Granular at a rate of 2.0 to 2.5 pounds per 1,000 square feet in early spring. To maintain initial spring treatment, apply Tournament-Ready Granular at a rate of 1.25 pounds every 2 to 4 weeks as needed. Irrigate treated areas lightly following application to move Tournament-Ready Granular from the granule carrier and into the root zone. Tournament-Ready Granular should be applied to dry turf.

Golf Course Fairways, Athletic Fields and General Turf Areas: Apply at a rate of 88 to 109 pounds per acre. Reapply at monthly intervals or as required. Due to a wide variety of spreaders available, it is recommended that the operator calibrate his spreader to achieve the desired rate of 1.0 to 2.5 pounds per 1,000 square feet. Results may vary based on equipment, operator, and environmental variables beyond the manufacturer's control.

Soil Mixes and Lawn Care: Apply Tournament-Ready Granular at a rate of 2.5 pounds per 1,000 square feet.

Newly Planted Nursery Materials: Thoroughly mix 2.5 pounds of Tournament-Ready Granular per cubic yard of backfill.

Soil Media: Blend up to 2.5 pounds of Tournament-Ready Granular to each cubic yard of soil mix.

Storage and Disposal

Storage: Do not contaminate water, food or feed by storage or disposal of this product. Keep product cool and dry in sealed original bags.

Disposal: Do not reuse product bags. Dispose of bags in accordance with all applicable federal, state and local regulations.

Spill: If spill occurs, do not attempt to clean up with water, as area will become slippery. Simply sweep and dispose of material.

CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased, or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
