

# AMS Standard™

## Dry Ammonium Sulfate

### Sprayable Grade Ammonium Sulfate Tank Mix Adjuvant

#### Principal Functioning Agents

Ammonium sulfate.....	99.5%
Constituents ineffective as spray adjuvants.....	0.5%
<b>Total.....</b>	<b>100.0%</b>

All ingredients are exempt from the requirements of a tolerance under 40 CFR 180.

## KEEP OUT OF REACH OF CHILDREN WARNING

### Hazard Statements

Causes eye irritation. May cause respiratory irritation. May be harmful in contact with skin. May be harmful if swallowed in large quantities.

### Precautionary Statements

Avoid breathing dust, fume, gas, mist, vapors and spray. Wash thoroughly after handling.

### General Information

AMS Standard is sprayable grade ammonium sulfate that is milled and screened for enhanced solubility. AMS Standard is an effective water conditioning agent that minimizes hard water mineral antagonism in spray tank mixes.

### First Aid

**Call a poison control center or doctor immediately for treatment advice.**

**If in Eyes:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

**If Swallowed:** Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

**If Inhaled:** Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

**If on Skin or Clothing:** Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

### Storage and Disposal

Store in a well-ventilated place. Keep bag tightly closed. Protect against moisture. This product may cake under the influence of moisture. Dispose of contents/bag in accordance with local/national regulations.

### Directions For Use

AMS Standard can be diluted in water up to 34% by weight.

Agitate tank mix water while slowly adding AMS Standard to the water. AMS Standard has been milled and screened to enhance solubility and purity of the products.

When diluted in water at maximum capacity, AMS Standard delivers up to 3.4 pounds of solubilized ammonium sulfate per 1 gallon of water. This meets or exceeds most herbicide label AMS recommendations to mitigate hard water antagonism.

### Testing for Compatibility

Always conduct a jar test in advance of mixing AMS Standard with other tank mix ingredients to ensure compatibility

AMS Standard is a trademark of KALO, Inc.

**CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES:** Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following: 1. Refund of the purchase price paid by buyer or user for product purchased, or, 2. Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
